

AW 26'

This season, our kids' collection was created with intention and input from moms like you. We dedicated time to perfecting our sizing, fit, and quality.

Each piece was designed with how kids actually move, play, and live. We created styles that are for kids who are always on the go.

Alipicks AW '26 is clothing made to move and look good while doing it.

SIZE GUIDE

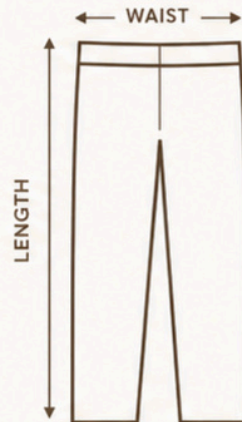

HOW TO FIND YOUR PERFECT FIT

Take a comparable item that fits well. Lay flat and measure as shown below.
For exact measurements, check the size chart in each product description.

TOPS & DRESSES

BOTTOMS

SIZE	BUST (FLAT)	LENGTH	WAIST (FLAT)
SMALL	2 cm	8 cm	0 cm
MEDIUM	4 cm	10 cm	2 cm
LARGE	6 cm	12 cm	4 cm

MEASURING TIP

The flat measurement you take needs to be doubled for the bust and waist.

If you're not sure, we recommend sizing up.
